

## The Egyptian Theatre is a Bicentennial Must See

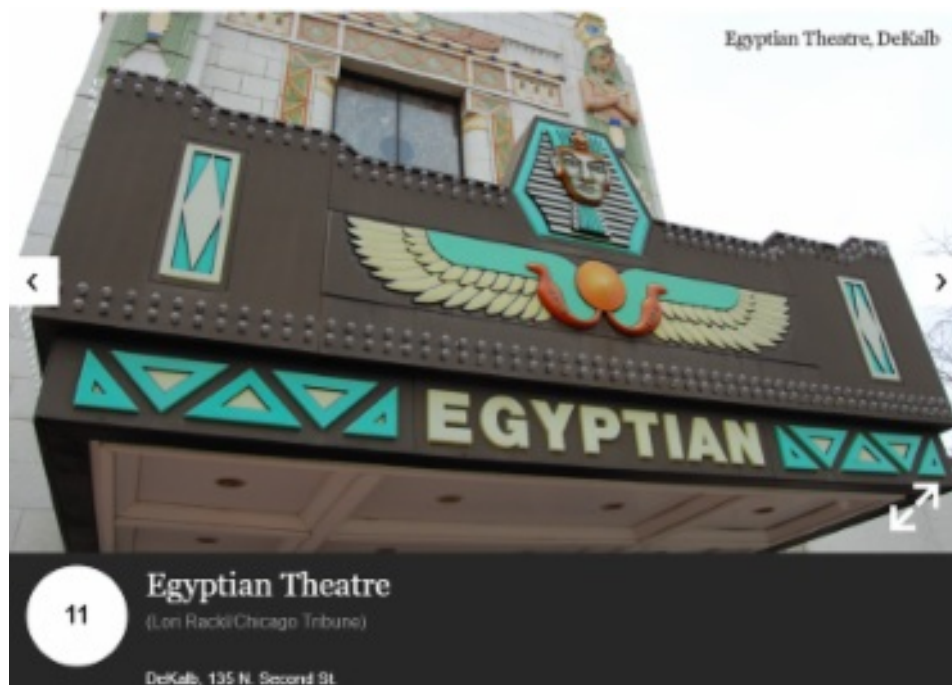

To celebrate the bicentennial, the Chicago Tribune is doing [10 Bicentennial Bucket Lists](#) of must see/do things in Illinois.

We are excited to announce that the Egyptian Theatre is named the **#11 Must See Architectural Attraction in Illinois**. The digital edition is available now, get the print edition in today's (May 6th) Chicago Tribune.

The DCCVB has been working with the Illinois Office of Tourism and the Chicago Tribune to nominate DeKalb County attractions to be included in the bucket lists. The Sycamore Speedway, which is celebrating 55 years of stock car racing this year, was named the **19th Must See Sports Attraction in Illinois**.

Features like these are the result of DCCVB's partnership with the Illinois Office of Tourism and networking that DCCVB staff and partners do at events and conferences.
