**GREETINGS!** It's time to raise a glass and toast Illinois' amazing craft breweries and distilleries. Illinois is a wonderful place to enjoy handcrafted brews and spirits thanks to the thriving maker industry.

Choose from nearly two hundred distinctive establishments across the state. With over forty craft breweries and distilleries in Chicago and the surrounding metropolitan area alone, it's easy to plan a quick getaway to explore big city brews and spirits. Want to experience more of the state's local and unique flavors? Enjoy small-batch beverages from artisans all over the state—many who use specialty ingredients grown right here in Illinois. Their one-of-a-kind variations on traditional crafts result in products that are truly Illinois Made.

Many of the craft breweries and distilleries across Illinois offer tasting rooms, restaurants and tours. I encourage you to meet the people behind the industry and salute their dedication to their crafts.

This guide provides a user-friendly listing of craft breweries and distilleries across Illinois. I hope you enjoy discovering everything that the Land of Lincoln's exciting craft brewing and distilling scene has to offer. Be sure to visit [enjoyillinois.com](http://enjoyillinois.com) for more travel ideas and event listings, as well as our Illinois Made section that celebrates the true maker spirit of Illinois.

Cheers to an amazing visit to Illinois!
